## Kerala HC urges Bar Council to reserve seats for transgender students in law colleges:

**Kochi:** The Kerala High Court on Thursday strongly urged the Bar Council of India (BCI) to explore steps to reserve seats for transgender students in law colleges across the state, calling it an issue of equality and inclusion. The directive came while hearing a petition filed by a transgender woman who was denied admission to Government Law College, Kozhikode, despite qualifying in the Commissioner for Entrance Examinations' Kerala Law Entrance Examination (KLEE) 2025. She had alleged that the absence of a transgender quota category in the central allotment process violated her constitutional rights. Justice N Nagareesh observed that reservation for transgender candidates is already being implemented in engineering and medical institutions. "If in engineering and medical colleges, reservation can be given, why not for law colleges?" he asked, urging the BCI to follow the same approach.

## Telangana HC stays 42 percent BC reservation in local bodies

UNITED NEWS OF INDIA  
Hyderabad, 9 October

The Telangana High Court has stayed the implementation of Government Order (GO) No. 9, which provided 42 per cent reservation for Backward Classes (BCs) in local body elections.

Issuing interim orders, the court directed the state government to file its counter within four weeks and granted two weeks to the petitioners to submit their objections. The next hearing has been adjourned for six weeks.

The court's order effectively puts a temporary hold on the local body election schedule in the state. It has also directed both the government and the

State Election Commission to file comprehensive counters before the next hearing.

During the hearing, which continued for two days, Advocate General (AG) Sudarshan Reddy argued on behalf of the government.

He informed the bench that the Telangana Legislative Assembly had passed a unanimous resolution to conduct a BC census, marking it as the first comprehensive caste census undertaken in the state since

Independence.

He said the government had conducted a door-to-door survey, and no objections were raised during the process. Citing the survey findings, he stated that BCs constitute 57.6 per cent of Telangana's population, justifying the government's decision to provide 42 per cent reservation based on their political backwardness.

Later, senior advocate Ravi Varma continued his arguments on behalf of the government. He stated that the Constitution does not prescribe any ceiling of 50 per cent on reservations.

He argued that reservations can be extended beyond 50 per cent if it serves the welfare and upliftment of society.

## TN marching ahead in startups, CM MK Stalin announces ₹100 cr co-creation fund for support

STATESMAN NEWS SERVICE  
Chennai, 9 October

Startups continue to be the buzz word and Tamil Nadu can't be any different. Chief Minister MK Stalin on Thursday announced the setting up of a ₹100 crore co-creation fund, invested in venture capital, to support and strengthen a vibrant atmosphere for startups in the state.

Managed by the TN Startup and Innovation Mission (StartupTN), the fund would be invested in venture capital funds for flow of investments to startups established in the state.

"To strengthen Tamil Nadu's startup ecosystem, I would like to announce a new scheme – a co-creation

fund with an initial allocation of ₹100 crore. It will be managed by StartupTN," he said, inaugurating the Global Startup Summit in Coimbatore. "Not only big industries, MSMEs and Startups are critical to the State to achieve the goal of One trillion-dollar economy by the year 2030 and the Dravidian Model Government is diligently working towards that," he added.

"From a meagre 2032 companies four years ago, Tamil Nadu has reached the top with a six-fold increase with over 12,000 startups at present. And over 50 percent of them are founded and led by women," he pointed out adding "with the government

spreading startup awareness across the State, its new age entrepreneurship schemes should reach all sections of society, including women and the marginalised as well as transgenders. For, social justice is the fulcrum even in the startup policy of the government."

In 2018, Tamil Nadu ranked at the bottom for startup infrastructure. In just four years, the State has reached the top spot. At present, Chennai ranks 18th in Asia, according to the Global Startup Ecosystem report, released by Startup Genome. The Atal Innovation Mission of NITI Aayog has recognised Tamil Nadu as a model state for developing an excellent innovation system," the CM said.

## Secure release of 47 fishermen held in Sri Lanka: Stalin to EAM

STATESMAN NEWS SERVICE  
Chennai, 9 October

**W**ith the Sri Lankan Navy having arrested 47 fishermen on the charge of poaching in the island nation's territorial waters across the Palk Strait, Tamil Nadu Chief Minister MK Stalin on Thursday wrote to External Affairs Minister Jaishankar to secure their release along with their boats without any delay.

In his letter to the Union Minister, Stalin urged that New Delhi take expeditious steps to revive the Joint Working Group, established to find a solution to the festering issue. As of today (9 October, 2025), 242 fishing boats and 74 fishermen are in Sri Lankan custody.

"I wish to bring to your immediate attention the apprehension of five Indian fishing boats and 47 fishermen

by the Sri Lankan Navy earlier today. This incident has caused significant distress within the fishing community, spreading fear and uncertainty across the coastal districts. It is pertinent to highlight that this is the first instance in 2025 where a large number of fishermen have been apprehended on a single day," he said.

"Repeated incidents of this nature not only jeopardise the safety and livelihoods of our fishermen, but also severely

undermine their morale and confidence in pursuing their traditional occupation. Given the seriousness of the situation, I earnestly request your urgent intervention to address this matter with the authorities concerned and also to secure the expeditious release of the apprehended fishermen and their boats. I also urge you to revive the Joint Working Group and take all diplomatic efforts to ensure that such incidents do not recur," read the letter.

The Kerala Pradesh Congress Committee (KPCC) President and MLA Sunny Joseph, on Thursday, alleged that the suspension of three Opposition legislators from the Assembly was the result of a "calculated conspiracy" by the Speaker A.N. Shamseer, and that claims of assaulting the Chief Marshal were "entirely fabricated".

The Assembly witnessed heightened tension as Speaker Shamseer suspended three opposition Congress MLAs, Roji M. John, M. Vincent, and Saneesh Kumar, following a confrontation that left the Chief Marshal injured.
